

Christmaths with The Simpsons

Lisa's Problem

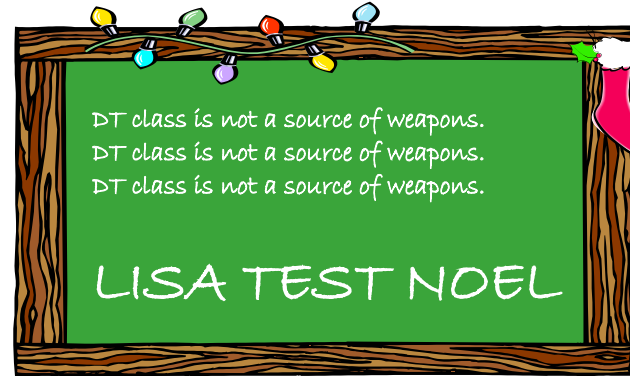

Santa brought Lisa a scientific calculator. Unfortunately he dropped it down the chimney. This damaged all the even number buttons as well as the plus and minus buttons. How can Lisa make her calculator display the number 24 without using these damaged buttons?

Lisa: And I'm studying for the math fair. If I win, I'll bring home a brand new protractor.
Homer: Too bad we don't live on a farm.
